And in further consideration of the transfer of said MWD, recipient hereby agrees to indemnify both at law and equity, the United States Government, and Department of Defense, and any and all servants or employees thereof, against any and all claims for injury or damages, compensation or otherwise, which may arise at anytime whatsoever, and which are attributable directly or indirectly to the above described MWD, or to any training given the above described MWD by the United States Government or Department of Defense, and to reimburse or make good any loss or damages or cost the United States Government, Department of Defense, or any servants or employees thereof may have to pay if litigation arises on account of any claims made by Recipient, its successors, or assigns, or by any other party, whatsoever, who may institute any type of claim against the United Sates Government and Department of Defense, or against any servant or employee thereof.

Notwithstanding any other provision of law, the United States Government and the Department of Defense shall not be held liable for any veterinary expense or treatment of any kind associated with the transfer of an MWD as stated herein for any condition of the MWD before transfer under this agreement, whether or not such condition is known at time of transfer under this agreement.

Recipient further makes the promise that the MWD will not be used for any illegal purpose, police or security related activity, private business activity, substance detection either public or private nor be given or sold to another person in consideration of the transfer of the above described MWD to recipient by the United States Government and the Department of Defense, through its agents or representatives' receipt of which is hereby acknowledged. In making this agreement, the recipient acknowledges that the above mentioned MWD has received Air Force aggressiveness (Patrol) training, and having such knowledge, said owner, as a condition of being the recipient of the MWD, thus freely and voluntarily accepts all risks and consequences of the future conduct and acts of the dog.
