C. If the contractor responds to the evaluation, and the response rebuts any or all of the ratings, the Contracting Officer will attempt to reconcile the areas of disagreement with the contractor. If agreement cannot be reached, the evaluation and response shall be reviewed at a level higher than the Contracting Officer and a final evaluation will be issued by the reviewing official. If the reviewing official finds, either all or in part, against the contractor, the contractor’s response shall become part of the final evaluation. (End of Clause)

OCC 1052.342-8000 Contractor’s Commitment to Equal Opportunity in Employment and Contracting (APR 2012)

Contractor confirms its commitment to equal opportunity in employment and contracting. To implement this commitment, the Contractor shall ensure, to the maximum extent possible consistent with applicable law, the fair inclusion of minorities and women in its workforce. The Contractor shall insert the substance of this clause in all subcontracts under this Contract when the dollar value exceeds $150,000.
Within ten (10) business days of a written request from the OCC’s Office of Minority and Women Inclusion (OMWI), or such longer time as the OMWI determines, and without any additional consideration required from the Agency, the Contractor shall provide documentation, satisfactory to the Agency, of the actions it (and, as applicable, its subcontractors) has undertaken to demonstrate its good-faith efforts to comply with the aforementioned provisions.

For purposes of this contract, “good-faith efforts” may include actions by the contractor intended to identify and, if present, remove barriers to minority and women employment or expansion of employment opportunities for minorities and women within its workforce. Efforts to remove such barriers may include, but are not limited to, recruiting minorities and women, providing job-related training, or engaging in other activities that could lead to those results.

The documentation requested by the OMWI may include, but is not limited to, one or more of the following:

1. A written affirmative action plan or other written program designed to ensure the fair inclusion of minorities and women in the contractor’s workforce, including outreach, recruitment, and training efforts whereby the contractor sets forth specific, results-oriented policies and procedures.

2. A list of subcontract awards under the Contract categorized by dollar, date of award, and the subcontractor’s ownership status, including whether the subcontractor is minority-owned (by race and/or ethnicity) or women-owned.

3. Documentation similar to that described in paragraph 1 with respect to each subcontractor.

4. Any other actions demonstrating the contractor’s or subcontractor’s good-faith efforts to include minorities and women in its workforce.

Consistent with Section 342(c)(3) of the Dodd–Frank Wall Street Reform and Consumer Protection Act (PL 111-203) (Dodd–Frank), a failure to demonstrate to the Director of the OMWI such good-faith efforts to include minorities and women in the Contractor’s workforce (and, as applicable, the workforce of its subcontractors) may result in termination of the Contract for default, referral to the Office of Federal Contract Compliance Programs, or other appropriate action.

For purposes of this clause, the terms “minority,” “minority-owned business” and “women-owned business” shall have the meanings set forth in Section 342(g) of Dodd–Frank.

(h) **Certification Regarding Responsibility Matters (Executive Order 12689).** (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) o Are, o are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;
(2) o Have, o have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) o Are, o are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (b)(2) of this clause; and

(4) o Have, o have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds $3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]
