**Response and Instruction by General Office of the State Council and  
General Office of National Security Commission of the Communist Party of China on  
*The Working Plan of Secretly Dispatching 27 People's Police Officers, He Jianfeng and  
Others from the Ministry of State Security to the United States on Field Duty in 2017***

The Ministry of State Security:

We received *The Request for Instructions on the Working Plan of Secretly Dispatching and 27 People's Police Officers, He Jianfeng and Others from the Ministry of State Security to the United States on Field Duty in 2017* (Guo An Fa (2017) 33) from the Ministry of State Security was received and the following are our reply and instructions:

First, after review, we approve in principle *The Request for Instructions on the Working Plan of Secretly Dispatching and 27 People's Police Officers, He Jianfeng and Others from the Ministry of State Security to the United States on Field Duty in 2017* (hereinafter referred to as *Request for Instruction*), please carefully organize and implement.

Second, the implementation of *Request for Instruction* must always adhere to and thoroughly implement the key views of the Deng Xiaoping Theory and "Three Represents," the Scientific Development Concepts, and the spirit of series of important speeches by General Secretary Xi Jinping, go according to the need of the strategic arrangements by the CPC Central Committee and the State Council against overseas hostile forces, strictly abide by our national principles of state security work on the United States, and use the opportunity of the rise of our comprehensive national strength and Sino-US diplomatic relations tending to ease to further expand the scope and depth of the infiltration into the anti-China hostile forces in the United States. When the above-mentioned people's police officers from the Ministry of State Security are dispatched and get in the United States in phases and secretly, they must strictly follow their respective tasks and plans and use the cover of the executives of the state-owned enterprises in the United States such as the Bank of China (New York) to carry out solid intelligence collection, to incite defection of relevant individuals, and to conduct counter-espionage, etc., while focusing on the special tasks on the extraordinarily significant criminal suspects, Ling Wancheng, Guo Wengui, and Cheng Muyang, etc. If necessary, they should also actively support, cooperate with, and assist the personnel in the United States who conduct the United Front operation, diplomatic operation, and military intelligence operation to carry out related business.

Third, this work concerns the core interests and political security of China, so the Ministry of State Security should view it from an overall and strategic height and be fully aware of its importance and urgency, enhance the sense of responsibility and mission, and actively take more advantageous measures to ensure the smooth implementation of *Request for Instructions* and make due contributions for further crushing overseas anti-China hostile forces.

Fourth, you should strengthen the organization and leadership, and really carry out your duties, make after-action analysis and supervision and inspection, carefully study and solve the problems that may occur in implementing *Request for Instructions*, and timely report to General Office of the State Council about the progress of relevant work.
