A) Elective or appointive public or party offices previously held including dates.

None

B) Other elective offices for which you have been a candidate.

None

C) What is your primary occupation?

Management consultant/Small Business Owner

D) Briefly list your civic activities of the past ten years.

I have been heavily involved in the community, including working with one of the largest non-profit social welfare institutions in the state, the Jewish United Fund/Jewish Federation of Metropolitan Chicago. I am a Leadership Greater Chicago Fellow, a member of the Chicago Council on Global Affairs and a participant in the "In Good Faith" program at the Catholic Theological Union. I have also been a coach to my sons' baseball and soccer teams for more than ten years.

E) What subjects have you studied and what experience have you had which will be most helpful to you in the office you seek?

I am a two-time graduate of Northwestern University, receiving my B.S. in Industrial Engineering in 1983 and my MBA in 1988. I have had a successful career in strategic management consulting, spanning more than 25 years. I worked at both national and closely-held firms and helped clients large and small succeed. Additionally, I owned and managed a life insurance agency from 1997 – 2003. In 2008, I founded Cadence Consulting Group, LLC. Through these experiences I developed a proven track record of bringing people together, exploring and analyzing options for progress, and getting things done. Congress has done little of late, and I hope to be part of the solution
