I on the other hand am waiting for a personal invitation from either the president, Reid or the speaker before returning to "work".

We can go ahead with travel again as long as it has gone thru appropriate approval process.

Hi Gina,

Now that we have a CR and OMB has instructed us to resume normal operations, can I turn around my instructions to Terry Keating and let him go to the LRTAP meeting?
Or are we still locked in to no weekend travel?

Thanks,

Rob
