Read up on Ditto's history thru their Press Releases . . .

See PR and scroll at: <http://www.dittohangers.com/news/#150>

They've been in biz for 4 yrs . Focus has been with on-line direct sales to consumers but now the push is on the attract retailers, They're not approaching dry cleaners from what I can see so far. That's where the environment gets the shaft.

Explore their whole site. meet at 8:30 to discuss strategy.
