MEMO TO: Robert Cardillo  
MEMO FROM: Frank Perry  
SUBJECT: Santarsiero leave of absence  
DATE: August 2, 2007

AUG 06 2007

This memo supports the request of Steve Santarsiero for an unpaid leave of absence from his duties as a social studies teacher at Bensalem High School for the first semester of the 2007-08 academic school year.

I believe that this absence will help him concentrate on his campaign to become a Bucks County Commissioner. Conversely, his simultaneous running of a campaign AND teaching a full academic load would adversely affect our students.

We are able, at this time, to accommodate his course load. In this light I support his request.

---

As you know, in August, the Board of Education granted me a leave of absence for the first semester of this school year. I am writing now to advise that I intend to return to work at BHS on January 22, 2007, which, I believe, is the beginning of the second semester. If I am wrong about the date, please let me know and I will make plans to start on the correct date (as it is, I will be in school on most days after January 1 to begin preparing for the coming semester).
