HUMAN RESOURCES DEPARTMENT

July 14, 2008

Steven Santarsiero

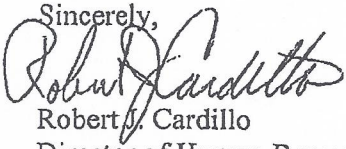

Dear Steven:

We have received your letter of resignation effective September 1, 2008. It is my understanding that you chose that date in order to meet your obligation to provide the District with sixty (60) days notice.

It is not necessary for you to provide sixty days notice because we are in a summer academic break and essentially we knew there was a possibility of your resignation when you made initial contact concerning your running for office.

Your resignation effective date will be considered the date of your letter, July 2, 2008. On behalf of the Board of School Directors, administrators and the students, I thank you for your all of your contributions to the District. We wish you the very best in all of your future endeavors.

Sincerely,

Robert J. Cardillo
Director of Human Resources
