 - Donald and Representative Chellie Pingree announced their separation and impending divorce in September 2015.

- 3. Terry O’Sullivan (General President, Laborers’ International Union of North America – LIUNA)**
Mobile (202) 679-0395
Contributed \$2,000,000
 - Guy Cecil and Kim Kauffman met with General President O’Sullivan and representatives of the LIUNA for the first time on January 14th and were given a check for \$2,000,000 on the spot.
 - A big issue with the Laborers’ is the repeal of the Cadillac tax and jobs, especially in the infrastructure and energy sectors.
 - NOTE: Bernie Sanders’ campaign is running ads against the Bakkan pipeline in Iowa. This is one of the most important issues for LIUNA. Terry campaigned in Iowa on January 30th to rally his members for Hillary.
 - We are working on finding time for HRC to call him, but it probably won’t be until well after NH Primary. It would be helpful if YOU could call him in the meantime to acknowledge his support.

Talking Points for Thank You Calls to Priorities USA Action Donors

- I wanted to thank you for your generous donation to Priorities USA Action. It really means a lot to me and Hillary.
- Thanks to your support, Priorities will be able to do its vital work to help win in 2016.

Responses to Possible Questions

- *If donor asks whether s/he should make an additional contribution to Priorities USA Action:* Due to federal legal restrictions, I can't discuss future contributions. I just wanted to let you know how thankful I am for the generous contribution that you recently made.
- *If donor asks whether contribution to Priorities USA Action will be used in the race:* As you know, we cannot coordinate with Priorities on how they spend their funds. However, they have a demonstrated record of spending funds wisely to keep the White House in Democratic hands and I am confident that will be the case in 2016.

Statements to Avoid

- Do NOT ask donors for additional funds for Priorities USA or for any other Super PACs or nonprofits.
- Do NOT ask donors to take a call from PAC personnel or tell them that PAC personnel will be following up. However, you may provide the donor with the contact information of a PAC representative, if they ask for it.
