To Whom It May Concern,

The following request is being made in accordance with the Missouri Sunshine Law (RSMo Chapter 610). I am requesting copies of the following record:

**Hiring Documents:** I am requesting a copy of the offer letter submitted to Associate Professor Erin Morrow Hawley, dated on or about January, 2011, as a then prospective employee at the University of Missouri.

Please note, that these individuals may not be currently considered active voters. I respectfully request that your office search records of both active and inactive voters (as available).

I realize that certain costs may be applicable to this request. Please contact me when you can provide a payment amount for my requests. In the meantime, I authorize an initial expense cap of \$25 to be accrued. To help assess my status for copying and mailing fees, please note that I am gathering information for research purposes and not for commercial activities.

I also request that you state the specific legal and factual grounds for withholding any documents or portions of documents, should you withhold any. Please identify each document that falls within the scope of this request but is withheld from release.

If requested documents are located in, or originated in, another installation or bureau, I would request that you please refer this request, or any relevant portion of this request, to the appropriated installation or bureau.

To the extent that the information is available in electronic format, I would prefer to receive that information via email or CD, particularly if providing the information reduces the time or expense involved. Otherwise, I request to receive the information in paper form.
