- Any direct correspondence between the university and Josh David Hawley (2011-2016)
- Any direct correspondence between the university and Erin Morrow Hawley (2011-present)

Direct correspondence should include letters, emails, reports, and other relevant material. I am not seeking any secondary material such as phone logs, notations of conversation, etc.

If portions of the requested records are closed, please segregate the closed portions and provide me with the rest of the records. If requested documents are located in, or originated in, another installation or agency, I would request that you please refer this request or any relevant portion of this request to the appropriate installation or agency.

To the extent that the responsive records are available in electronic format, I would prefer to receive the information via email or CD, particularly if providing the information reduces the time or expense involved. Otherwise, I will expect to receive the information in paper form.

To help assess my status for copying and mailing fees, please note that I am gathering information for research purposes and not for commercial activities. I am willing to pay all reasonable costs incurred in locating and duplicating these materials. But please contact me prior to processing to approve any fees or charges incurred in excess of \$100.

Thank you very much for your cooperation with this request. I am willing to discuss ways to make this request more manageable to your office. Please do not hesitate to contact me on my direct line at 202-545-3516 or at [rodriguez@dsc.org](mailto:rodriguez@dsc.org).

Sincerely,
