Re: Colorado Rising

Dear Secretary Williams:

I am writing on my behalf of my client, Colorado Rising, and its Registered Agent, Tricia Olson, regarding an error in a major contributor report, as amended (October 23, 29 and 30, 2018), and a regular report of October 29, 2018, as amended October 30, 2018. Due to a mistake, Ms. Olson erroneously reported a family foundation, the Sergey Brin Family Foundation (“Foundation”), as the source of a contribution for \$170,000 on October 23, 2018. In fact, the source of the contribution, (an in-kind contribution for digital media content in the corrected amount of \$153,000), was not the Foundation, but was instead a 501(c)(3) entity, ProgressNow Education Fund.

In order to prevent any adverse impacts to the Foundation due to Colorado Rising’s reporting mistake, please allow this letter to serve as a request to add the following description to the Description field on all three Major Contributor Reports (October 23, October 29, and October 30) and to Colorado Rising’s regular October 29, 2018 report and the amendment to the same filed October 30, 2018:

“Contributor reported in error. See communication dated October 30, 2018.”

This letter can serve as the explanation for the mistaken reporting of the Foundation. Please let me know if you have any questions or would like to discuss this further.

Thank you for your assistance with this matter.
