I'm not sure that's possible at the moment. I don't know what basis you would target him. Thoughts?

Best,
AAH

Good afternoon. HHSS had wanted us to target FA – on what basis would we do this? Thanks

Dear Jamie,

I have checked with the boss and he confirmed that AH is involved and he is going through another channel but did not elaborate more so we have to get this out of AH.

On KM, supposedly Sylvain checked with him why he did not turn up and his answer was if lawyers are coming to see him then he will send his.

But if a tribunal of mohd Al qadi and Sylvain go to see him he will be happy to receive them.

Dear Naser:

Thank you for your email. I spoke to the boss and advised him against both using other channels and pressing charges against Farhad for now. I believe both approaches could undermine the work that you and Jamie are doing. I was very clear with him that we should speak with one voice-and for the moment you and Jamie are that voice.

We have to see how Khatter responds with his lawyer. If we start pressing charges with Farhad it would disrupt this process. My humble opinion is that we should not be fighting multiple fires at one time.

We need to keep this circle of information tight and give full weight and support to you and Jamie.

I have advised boss as much as well.

Best,
AAH

Dear brother Amir,

It was really nice to catch up with you two weeks ago.

I have had few discussions with boss about FA and he is adamant that we bring charges against him. He was very happy that you told him that FA is no longer asking for the \$8 m.

The boss told me that you have checked with your people and confirmed back to him that the boys with the hotel are no issue now and we should not be intimidated by them and that FA may not be orchestrating this.

He wants me to get you on the case to file some sort of charges against Farhad.

He also told me today that you have another channel that you are using with khater.

When are you next in town so that me you and Jamie could hook up and coordinate our attack.

Khater is playing our boss using Sylvain and the latest stunt that I heard today is that he did not turn up to the meeting in London as he did not want to meet the lawyers however he is only interested to meet Sylvain and mohammed Al qadi.

Talking to the boss now. He wants me to respond to the little guy in an email and to coordinate with you.

NB says the Boss wants criminal stuff taken out of letter and to go after FA – subject to guidance from AF.

Nothing ELSE new from NB – will speak to AF tomorrow and fill you in.
