Additional Information

On 02/08/2020 I was dispatched to 11900 Atlantic Blvd. in reference to a dispute.

Upon arrival I made contact with the victims who were volunteering at a Republican tent in the parking lot located near the Petco. They stated that while they were working the listed vehicle began slowly driving towards them. Victim 1 advised that she began walking up to the driver's side to talk to the suspect. Victim 2 was standing on the passenger side of the vehicle. They both stated that the vehicle then accelerated towards them and the tent. Both victims had to move out of the way quickly in order to prevent themselves from being struck by the vehicle. The suspect continued to drive and knocked over several chairs, tables, and a tent. The suspect then got out of the vehicle, took out his phone, "flipped them off" and drove away. The suspect was last seen turning east on Kensington Lakes Dr.

I received a tip from a citizen that the suspect vehicle was located at 2011 Brighton Bay Trail.

Det. R.A. Goethe #7456 and I responded to the address and made contact with the suspect. The suspect agreed to come out of the house and talk to us about the incident. I read the suspect Miranda Warning, via card, and he stated that he understood. The suspect [redacted] because "someone had to take a stand." He stated that he went to the Walmart at 11900 Atlantic Blvd. to get some food and noticed the tent set up in the parking lot. He advised that after he got his food and pack of cigarettes he went near the tent and parked. He willingly showed a video to us on his phone that was him talking prior to driving into the tent. He was a few aisles over in the parking lot. The suspect then showed another video to us of him driving towards the tent with the victims standing in front of the tent. The video cuts out prior to him actually striking the tent. He stated that [redacted] although the video showed people standing in front of the tent, so he could go run everything over. The suspect was upset that the video ended before "the good part" as he described it. The suspect advised that he does not like President Trump and that is part of [redacted] He advised the other reason was because "it's like someone shitting on your grave" as the other reason.

The suspect was arrested and transported to PDF for booking.

Case clear by arrest.
