To All Whom It May Concern:

This letter of recommendation is for Amanda Timpson, who has great knowledge of juveniles and anti-gang programming to dissuade recidivism. Her leadership was a critical component in securing the 2020 OJJDP Comprehensive Anti-gang programming grant for more than \$400,000 for the Office of the Fulton County District Attorney. Most recently, she has applied her knowledge with in the department of Records Restriction to serve as a liaison between Record Restrictions and Pretrial Diversion to expand the opportunities for those seeking diversion over prosecution.

If you have any questions, please do not hesitate to contact me directly at email Natalie.Zellner@fultoncountyga.gov.
