Greetings ALL:

Please help me congratulate our newest Deputy District Attorney Ramona Toole. Ms. Toole will continue to supervise 5 Complex Court rooms as directed by Deputy Kenneth Hutcherson and ED George Jenkins. Her ED will continue to be George Jenkins.

Added to her duties are:

1. Record Restrictions
2. Pre-trial Diversion
3. Supervisor of New Assistant Chief of Administration

Serving with her will be Deputy Chief of Staff Epiffany Henry who runs our diversion program. Ms. Henry will have an operations manager working with her. That person will be named after 9/20/2021 interviews.

Valencia Younger will continue to serve as our Chief Legal Assistant over record restrictions.

Amanda Timpson will become our new Liaison between Record Restrictions and Pretrial Diversion. She has been dynamic serving with Valencia Younger and will continue in that role assisting with records, but she will now expand to also working intimately with adult diversion as directed by Deputy Toole and Deputy Chief of Staff Epiffany Henry.

I am really excited about this dynamic group. We will be having our Grand Opening for Pretrial Diversion at the end of the month. I hope each of you will join me in our celebration.
