Below you will see that after all this on 8/29 I was nominated to be in the office wide newsletter as a spotlighted employee to which I decline as I believed it was either intended to retaliate against me further and or a way to try to make up for all they have done

Greetings and Good Morning Robin, Thank you so much for the clarification.

Please let Madam D.A know that I respectfully decline her nomination. I would prefer not to take part in the upcoming D.A Dispatch issue. However, I am truly appreciative for the nomination.

Thank you and as always, Be well

Amanda.

She definitely wanted you. I will talk to you later on to see what time we can talk. We are at the arraignment right now.

Hello Amanda,

You have been nominated by Madam DA to be in the next issue of the DA Dispatch. I am sure that you have seen our fabulous newsletter by now and have seen the features thus far. Yours will be similar. Some of them like to come up with their own bio and others prefer me to interview them. If you prefer me to interview you, please let me know of a time on Monday that we can either talk over the phone or in person. Please make sure that you add some things about yourself that we don't already know 😊 (smile).

I will also need 2 pictures from you (one professional and one fun one). If it will be easier for you to text them to me, please do so at 404-664-4095.

Thank You,
