Appendix
Response to Item 10

Item 10: Will the activities on behalf of the above foreign principal include political activities as defined in Section 1(o) of the Act. If yes, describe all such political activities indicating, among other things, the relations, interests or policies to be influenced together with the means to be employed to achieve this purpose. The response must include, but not be limited to, activities involving lobbying, promotion, perception management, public relations, economic development, and preparation and dissemination of informational materials.

HB 330, passed during the 2024 Alabama Regular Session and effective October 1, 2024, relates to foreign countries of concern and institutions of higher education. It requires public and private nonprofit institutions of higher education in Alabama that already report foreign financial support to the National Science Foundation (42 U.S.C. § 19040) or foreign gifts and contracts to the U.S. Department of Education (20 U.S.C. § 1011f) to send the same information each year by July 31 to the Governor and the Chairs of the House and Senate Education Policy Committees. Section 1(a)(1) defines "foreign country of concern" as the People's Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the State of Qatar, and any other country the U.S. Department of State determines to be a country of concern.

HGS will seek to influence Alabama state officials and sections of the Alabama public to amend the Act to remove the State of Qatar from that definition, and to prevent future Alabama legislation from adopting it. The interests and policies to be influenced are Alabama's legislative treatment of Qatar and policymakers' understanding of the U.S.-Qatar security and educational partnership.
Lobbying: Meetings, calls, and emails with Alabama legislators and staff (including the House and Senate Education Policy Committees, the Act's sponsors and cosponsors, and leadership), the Governor's office and transition team, and relevant state agency officials; support for bill drafting with the Legislative Services Agency.
Promotion/Public Relations: No paid media, advertising, or press campaigns are planned.
Perception Management: Advocacy and materials explaining Qatar's status as a Major Non-NATO Ally and U.S. security partner. No other activities planned.
Economic Development: None.
Informational Materials: Fact papers on the U.S.-Qatar partnership, reviewed by the Embassy, distributed to the officials above, labeled and filed per FARA within 48 hours.
HGS will not contact federal officials or make, solicit, or arrange political contributions on the Embassy's behalf.
